

## Call For Vendors: Get Your Green On April 10, 2010

For more than 150 years the City Market has served as an unofficial “Town Square” where the community has come together to discuss important issues and movements of the time. In October of 2009 the City Market partnered with Mid-America Regional Council, the City of Kansas City, Missouri, the Downtown Council and the Surplus Exchange to host a successful electronic recycling event. Due to popular demand, we are joining forces again to create an expanded Earth Day recycling event called **Get Your Green On** and we invite you to join us!

**Get Your Green On** is free to the public and will take place Saturday, April 10, 2010 from 8:00 a.m. – 3:00 p.m. We are calling for vendors, organizations and businesses actively engaged in the following green initiatives to take part:

**GREEN TECHNOLOGIES**  
**UTILITY CONSERVATION**  
**RAIN GARDEN PROJECTS**  
**GREEN PRODUCTS**  
**SUSTAINABILITY PROGRAMS**

**COMPOSTING & RECYCLING**  
**CARBON FOOTPRINT REDUCTION**  
**NATURAL RESOURCE CONSERVATION**  
**NATIVE SPECIES/XERISCAPE LANDSCAPING**  
**SOLAR ENERGY**

Jump on board the **Get Your Green On** event and take advantage of this free opportunity to showcase your products and services. Together we can provide a day full of shopping, learning and provide a pathway toward greener living.

Vendors will set up on the south end of the City Market Square, at the main entrance at 5th & Walnut. If you would like overhead cover, please plan to bring a tent. Displays must be fully self sufficient and set up should be completed by 8:00 a.m.
